

Covid-19 Guidelines

TrendSetters Dance is committed to providing a safe environment for all our contest participants directors, dancers, spectators, judges, and staff. It is our responsibility to follow and monitor the current state/local disease control (CDC) guidelines.

We have posted a collaborative statement from all the major contest companies on our website. We want to make sure that we are working together to provide a safe contest environment for all involved. We are all preparing for a successful contest season. Please use this information to better plan for the upcoming season.

Cancellations due to Covid-19 will be refunded or credited toward another Trendsetters event. A letter must be submitted from the school district or principal.
