TrendSetters State Competition Katy H.S Cleaning Agreement Form

Katy High School has secured several custodians to assist in keeping the school clean during the Trendsetters Dance Contest on March 2, 2024. In order to continue to use the facilities for this event, it is imperative that all participants abide by the policy of not having food, gum, or beverages in the academic hallways, classrooms, performance areas (auditorium and gyms) and areas used as dressing areas.

Please understand that any team who does not abide by the policy will be fined a **\$100.00** fee. Should you decide to bring food, it should be eaten off campus. Of course, we offer a great variety of food at a very reasonable price. We hope that you will support the Bengal Brigade.

We are sorry if this seems strict, but we have heard of teams bringing food into restricted areas at other competitions and making messes as well as just being destructive with things teachers have in their rooms. Of course when these types of things happen it makes teachers reluctant to allow us to use their rooms again for future competitions. So please help us out... **FOLLOW THE RULES!!**
