

Covid-19 Protocol:

- Masks **WILL** be required by **ALL** at contest.
- FYI:
- Hand sanitizers will be stationed at each spectator entry, gym entrance and exits.
- Temperatures will be checked at the door.
- You will be able to scan a QR code for the performance schedule instead of a paper program.
- Registered teams will be required to complete a Covid questionnaire that will be sent to competing Directors.
- Dancers will be required to wear their masks in dressing areas, hallways, warm up areas, and on deck.
- If you have team masks, dancers could tuck them somewhere in their costumes immediately prior to taking the floor and putting them back on before leaving the gym.
- Teams will **NOT** be penalized if required by your school or choose to wear masks while dancing.

Dressing Rooms:

- Dressing rooms **WILL** be issued with a maximum of 10 dancers to a room. Going one step further, we will attempt to have one team in a hallway and possibly 2.

Props:

- As stated in all camp/contest companies previous e-blast, we are all requiring that All props be handled/managed only by the performing dancers when entering and exiting the floor.

- 3 wings on each side will be provided upon request.

Awards Ceremony: A different year a different look and process.

- The performance schedule will be in 2 blocks.

- Block 1 will consist of Studios & Middle Schools and immediately followed by awards.
- Block 2 will consist of High Schools followed by awards. If this block is too big, we will create a 3rd block.
- NO TEAMS WILL BE ALLOWED TO WATCH PERFORMANCES OTHER THAN MEMBERS FROM THE PERFORMING TEAM. SEATING ON THE BACK SIDE OF THE GYM ONLY AND IMMEDIATELY EXITING THE GYM WITH THE TEAM.
- We request that your team stays together and minimize the amount of time out of your dressing area. We prefer you only leave your room to eat, warmup and perform.
